# Tuning into. . .

*As another year comes to a close, Moline High School students find themselves trying to hold onto all their amazing memories. These memories have shaped our high school lives, and many of them are connected to a song. The 102nd issue of the "M" strives to capture these moments by tuning into this year's most popular songs, as well as memorable songs from the past. By tuning into the songs we listen to daily, we see that our lives are dominated by music, and every moment can be relived by hearing just one line of a song. New this year are QR codes which will be found throughout the yearbook and can be scanned to bring up more coverage of the school year, including images and videos. So as this year comes to a close, we hope every Moline student will be able to look back on these songs in ten years and remember the fun times they had while in high school. For now, just sit back and enjoy the music by tuning into 2013-2014.*

## Summertime

Summer brings happiness and joy and carefree attitudes. Once school begins in August, MHS students wish the summer had stayed forever. Summertime is when most adventures take place. Some Moline students spent their summers on school trips to Paris, Madrid, England, and Italy. Some students played their favorite sports, while others sat in the nice summer days reading their favorite novel. With summer, there are endless possibilities--for a few months anyways. Summertime not only allows for students to have time off from a long, stressful year of school, but summertime is also when students are able to make lifelong memories with their friends. Going to concerts, going to Europe, hanging out on the river, spending time relaxing, or going to tennis matches let students have fun with the people that matter most. MichelleAnn Sanchez went to Europe this summer with choir and says, "The two weeks in Europe were amazing! I finally got to see Big Ben; he's beautiful! I definitely want to go back!" During summer, the students of MHS can choose between just hanging out with friends in town or getting out of Moline to experience a new adventure. Either way, summer is a time to create some of the most important memories with our families and friends.

## Royals

Coronation is an exciting part of Homecoming week. The members of court are often involved in a variety of activities at Moline. From athletics to theater to the classroom, these students take pride in their roles at MHS. More importantly, these seniors take pride in their roles as a friend to the rest of the student body. Because these students are admired by their peers, they are initially nominated by the senior class, and then the upperclassmen vote on who will be named this year's royalty. Senior Megan Geever says, "Being on Homecoming Court was such a fun experience! It was awesome to be able to represent MHS." For 2013, the Homecoming Queen was **Taylor Romeo** and the Homecoming King was **Jay Thames**. The Princess was **Sydney Dexter** and the Prince was **Raymond Marquez**.

# Homecoming

*in Hollywood*

Lights! Camera! Action! Homecoming in Hollywood kicked off the school year encouraging students to dress up and show off their school spirit. Homecoming week is always a busy time for students. Many students participated in the annual parade down Avenue of the Cities. They walked with their teams or clubs and helped prepare the floats for the class competition. For the fourth year in a row, the Class of 2014 took First Place, a memorable feat for the senior class. Homecoming is also a time where students have fun thinking of creative ways to ask their classmates to the dance. Throughout the week, students dress up to match the spirit themes, varying from twin day to team day. Another important aspect of Homecoming is the football game when players and fans alike flock to Wharton Field House to show their school pride, and this year the Moline Maroons had an exciting win over the East Moline Panthers. The best part of the week, however, is the dance. Senior Julia Dawson says, "Even after a long day of tennis, I still had a great time at my last Homecoming dance! I would not have missed it for the world!"

# Playing

## Your Song

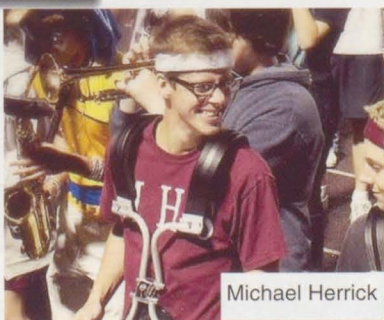

Having musical talent is a trait almost everyone envies, and this year MHS is home to several bands and many talented musicians. Ross Hughes, a member of Highfives and Handshakes, says, "I like being in Highfives and Handshakes because it's something different. Most kids in high school play like cello or clarinet but I play in the music industry that people actually listen to." Music is a terrific form of expression and a great stress reliever, which many high school students are in desperate need of during the trials and tribulations of high school. Playing music can also help students become more confident, while having a blast jamming out. Furthermore, learning how to play an instrument teaches patience and persistence; these are important lessons that will be essential throughout life. Being able to entertain others is a great feeling, and when you finally master a song, you are very proud of yourself. Music sets the heart free and it lets you escape everyday life to a place where you are free to express yourself, so raise your instruments and play your song.

# Dancing

*the night away*

School dances are some of the most anticipated events of the school year. The halls are filled with talk of dances long before they start, and the anticipation is part of what makes them so fun! Who your date is, what your dress looks like, and where you are taking pictures are much talked about by the student body leading up to the dance. Homecoming is always a good way to kick off the school year, and Sadie's provides excitement during the frigid winter months. With warmer weather comes the upperclassmen's most anticipated dance, Prom! However, the dance is only half the fun. Getting ready with friends by helping them do their hair and makeup in order to look their best is terrific fun. Posing with dates and friends for your parents is always a good time for parents and students alike. For some students, the best part of the night is going out to dinner. Many students continue the festivities after the dance as well. Kara Hutton says, "Dances are a great place to hang out with my friends and let loose. Some of my favorite memories were made at dances, and I love taking pictures by the river!"

# Revamping Shakespeare

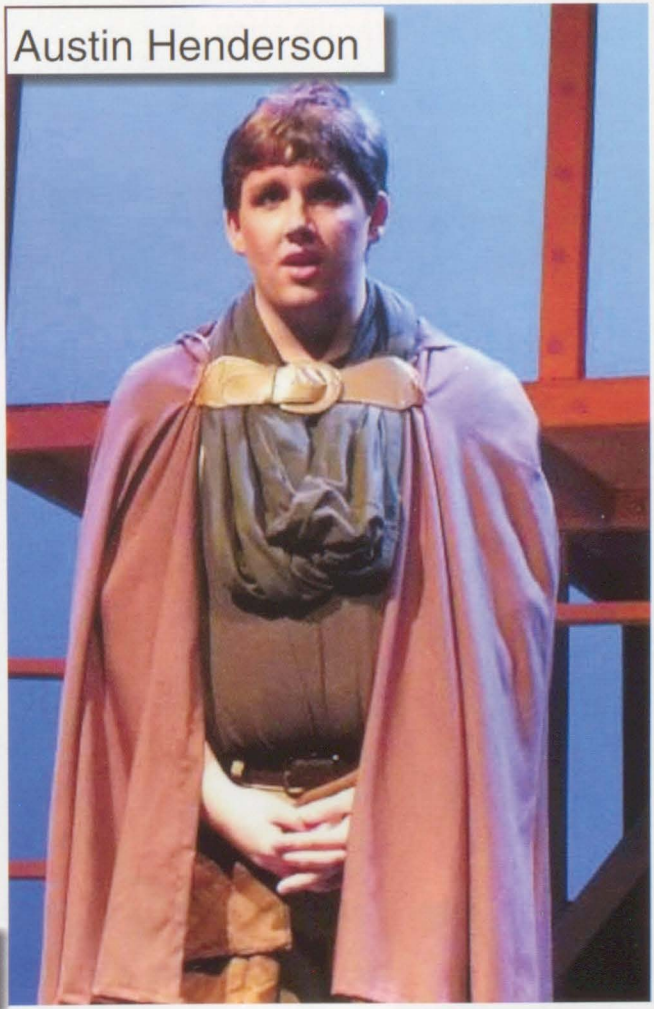

"A plague o' both your houses!" *Romeo & Juliet*, a play full of love, misinformation, and tremendous fight scenes, was an impressive way to start the theater season. The cast did a terrific job performing the well-known play with a twist. Romeo (Christian Frieden) and Juliet (Carolyn Wehr) convinced the audience that they were star-crossed lovers, and the rest of the cast did a great job as well, helping and hindering them on their quest to be together. The Zuckerborg-Steampunk style was refreshing and made for an interesting take on the play. The music playing throughout the play added a modern twist. As usual the actors had extraordinary costumes, a mix between gothic and machine. Carolyn Wehr, Juliet, says, "Being a part of this production was such a wonderful learning experience, especially with such a fun and talented cast and production team. I'm so thankful for this very meaningful and memorable show because of the unique style and the people involved." Once again, the students of MHS were able to make a classic Shakespearean play new and exciting for everyone.

# Creating Heroes

# & Villains

ZAP! POW! BAM! *Captain Starhawk Saves the World* brings the audience back to the 1940's during WWII for the Winter Play. The lead character, Basil (Andrew Parker), enjoys writing comic books, which he bases off of the people in his life. In his comic book, the hero Captain Starhawk (Quinn Daley) must fight against Hilter (Jennie White), who bears a striking resemblance to Hitler. His comic book provides relief for the soldiers and his friend (Travis Meier) fighting Hitler across the globe. The play was written by a local playwright and MHS was fortunate to house the premiere performance. Mrs. KC Griesenbeck even had him attend the Thursday night show. One of the best parts of the play was that the actors actually flew across the stage! As usual the MHS thespians put on a terrific show for their community. Senior Sydney Dexter says, "Captain Starhawk was WEIRD, but super fun and a blast to put on the Moline stage!"

# Sharing *the joy*

Share Joys, the most wonderful time of the year! A time for dressing up, having fun, and most importantly, raising money to buy clothes for children in our community. This year MHS achieved a rewarding goal; we raised over 1 million dollars over the past 64 years of celebrating Share Joys. This year alone \$46,612.73 was raised thanks to the Elves, the Donut Eating Contest, the Variety Show, and teachers who were willing to collect tickets for free days in class. The "Top Elf" this year was Cassie Shetler, as she raised the most money on her own. In the Donut Eating Contest, where teams dress up in their favorite themes and raise a minimum of \$500 to compete, the "Top Banana" was Stephanie Theofilis and her team of Rochelle Rohwer, Elizabeth Cunningham, and Megan Klocke. The Donut King was Keaton Christiansen, and the Donut Queen was Rachel Holt. The Sunday after Share Joys many students volunteered to be personal shoppers for the selected children. These shoppers can see the impact Share Joys truly has on families in our community. Sophomore William Vellenga-Clark says, "Share Joys was so awesome! The improv room was the highlight of the week!"

# Succeeding in Business

"How to, how to succeed in business without really trying," the cast of the spring musical sang with enthusiasm to bring the audience into the amazing world that Shepherd Mead created when he wrote the novel, *How to Succeed in Business Without Really Trying*, which was soon adapted into a screenplay by Willie Gilbert and Jack Weinstock in 1955. In the 60's, the playwrights worked with producers to make the play a musical where two more writers, Abe Burrows and Frank Loesser, came in and wrote songs and developed more within the plot. At MHS the cast and crew, along with director Ron May, did a great job designing the eye-catching set, which set the stage for the comedic shenanigans of the characters. *How to Succeed in Business Without Really Trying* brought all of our school's singers to the stage to show our wide array of talent. With the great acting and singing, the cast deserves a lot of credit for their hard work despite the short time they had to put this musical together. Senior Ashley Lewis says, "It was a fun and high energy show! Lots of great people made it such an unforgettable experience."

# Superfanning

*all year*

"Let's go, Moline!" There are few better ways to create long lasting memories than spending Friday nights cheering your team to victory. If you go to the football field or the basketball court on a Friday night, you are sure to find Moline's most supportive fans. Superfans dress up to match fun themes, such as white out, black out, and senior night. Sitting with the superfans makes the games more exciting and allows everyone to come together, making the whole school more of a team. Superfans spread school spirit by encouraging more students to attend the games. Having a strong support system can make the difference between winning and losing in a close game. Senior Superfan Merritt Johnson says, "It was so much fun to be a part of the Superfans. This is my last year of games, and cheering with all of these great people made my last year even more memorable." The power of the superfans is most evident at the basketball games as their cheering seems to vibrate the entire Wharton Field House. A feat that can only be accomplished by the most fervent fans in the QC.

### My Story:

The person I am today has been shaped by the last four years of MHS. With all the opportunities, awards, and grades I earned, I can't imagine losing it all. In just four years we all grow so much, finding ourselves, strengths, talents, goals and dreams. We all have an idea of what high school would be like, but for me I just wanted to be prepared for the real world. Ever since I was little, I wanted to grow up so fast. And I still do. My dreams mean so much to me. No one here wants you to fail, so you shouldn't. I got A's all of the time. When I got my "coming out" story published and was crowned Homecoming Prince, I felt I was being awarded for all my hard work. All of my achievements weren't just given to me. I worked hard to get where I am today. I believe anyone can succeed. Let your dreams guide you to where you want to be. You're never too old to be young. Start strong and finish winning. I believe in the person I want to become.

My leadership role as class president didn't start until this year. I became involved in Moline Student Congress my freshman year and I decided to run for freshman class secretary. Each year of high school, I have decided to run for a different office. This year I felt that I was ready to take on the responsibility of being senior class president.

**My Story:** When I first came to MHS, I almost exclusively associated with my long-time friends from elementary school. However, I didn't realize I was compressing my high school experience until I involved myself in new extra-curricular activities. I joined the Scholastic Bowl Team, wrote a few articles for the Line O'Type and tried my hand at chess. I became friends with upperclassmen and over the course of the year gained important insights into effective leadership principles.

**My Story:** I've always been kind of weird and quiet. But once you get to know me, I'm pretty cool and friendly. I like to be different, not too much for the attention but to express who I am and to relate to people like me. I know that's really cheesy. I like to dye my hair because it's pretty and makes me feel cool; I know that's lame. I think I've dyed my hair like 6 times this year. Though my hair in the picture is my least favorite hair, my hair in the beginning of the year was sexy.. oh, do I miss that hair.

**My Story:** As much as people complain about leaving high school, I have to say high school was a great experience for me. It taught me a lot. Being involved in cheer, dance, Key Club, and French Club helped me meet a lot of new people, creating friendships that will last a lifetime. I would like to thank all my friends, teachers, and parents that helped me become who I am today.

### My Story:

I am extremely fortunate to be surrounded by loving, caring people. I, like most people, sometimes forget how privileged I am. But, I understand the "don't take things for granted" concept has become cliché and overused. So, I believe success mainly stems from motivation. I have found motivation in many different forms for baseball, academics, and fitness. Anything, such as failures, successes, criticism and jealousy can be transformed into motivation to fuel your passion. Just make sure you are doing what *you* love to do. As poet Charles Bukowski put it, "Find what you love and let it kill you." (Not literally. It's a figure of speech.)

**My Story:** During high school, I had the chance to be an exchange student for the summer of 2013. I went to Spain and lived with my host family. We traveled to several cities. I experienced a whole new way of life and a new way to experience life. We went to castles, churches, pottery festivals, art galleries, beaches, and markets. I love traveling to new places and experiencing new things. I came back to the States having the same mindset and outlook on life, to try new things. # TRENDS

As every new year begins, trends are started by the students who keep talking about what they enjoy and what makes them happy. For example, being in a band has become a popular at MHS with multiple bands within the school itself. Another popular trend this year is being obsessed with Duck Dynasty. No matter what the latest obsession is, our students are always on trend.

# Dances

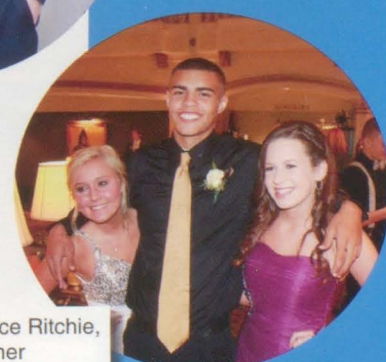

Moline High School hosts many dances throughout the year. Dances provide the opportunity for everyone to get dressed up and have fun. Varying in size, groups of students get together, have a great dinner, and dance for hours. Whether it be the Homecoming Dance, Jingle Jam, Sadie's, or prom, the class of 2015 enjoys hanging out with their closest friends. Having a camera nearby is a necessity, for everyone is ready to strike a pose.

# JOBS

Part-time jobs are an easy way to make some money, develop new skills, meet new people, and to stay involved. Getting a job in high school is fun and exciting, and makes one feel a new sense of responsibility. The excitement continues as one is able to spend the money he or she works for on something he or she would not have been able to get otherwise. Getting a job is important as students grow up and enter the real world, teaching them responsibility and time management!

# Testing

Tests play a large role in the lives of juniors. Along with the intimidating ACT, students also take many tests throughout the year. From preparing for the ACT to challenging courses, juniors cannot escape tests. The scores these juniors receive on their tests are important because the results will affect their college decisions and their futures. Junior year may be filled with stress and tests, but these MHS juniors managed to keep smiling, or almost smiling, through it all.

# WEEKENDS

Weekends are very important to every high school student at Moline. During the week, students work hard so when the weekend comes around they can relax. The junior class spends their weekends going to concerts, hanging out, working, camping, watching movies, and studying. Free time is a necessity in order to be successful at MHS because it is a time to bond with friends and make lasting memories. Weekends allow for these juniors to stop stressing and enjoy their free time.

# Classes

Junior year is one of the toughest years during high school. The tough classes and preparation for the ACT can cause a lot of stress for the MHS juniors. Fortunately, teachers take time to do team building and other fun activities to make it a bit more bearable. In the end, the students still manage to enjoy their classes and get through the year by studying and having fun.

# STYLES

Kids with all kinds of style walk through MHS's doors every single day. Whether they are rocking a cute scarf or a snazzy watch, these students are happy to express themselves in school and on the weekends. Style plays an important role for every student at Moline High School because style shows who one is and what he or she wants everyone else to think. Ultimately, our style is a major part of who we are. By keeping it stylish, these juniors are able to be confident and happy here at MHS.

# Learning to Drive

This year, many sophomores got their licenses. They were so excited to crank up the music, roll down their windows, and cruise down the road. However, driving safely is the most important part, and drivers can no longer talk on their cell phones while driving, unless it's hands-free.

# Finding Friends

For MHS sophomores, friends are very important. Whether you're in need of a reliable study buddy or just a fun companion on a Saturday night, having friends around can turn any boring activity into a fun one. After all, friends are empathetic, awesome, and loyal! High school is all about finding awesome friends, and here at Moline, it is easy to make new ones. These friendships made at MHS last can last a lifetime and even create many terrific memories!

# Being Creative

Being creative is a part of every sophomore's life. Students in art classes are creative everyday. They use their brushes to paint magical scenes from their minds. Other students find creative ways to take pictures and post them on their favorite socail networking site. Some students prefer to take their creativity to the stage and get involved in the school's many productions throughout the year. No matter where they do it, students use their creativity to express themselves everyday.

# Finding Yourself

Two years into their highschool careers, some sophomores have completely figured out what they want to do while others still haven't. As these students continue to embark on their trek through high school, they are constantly trying to figure out what they want for themselves and for their futures. Fortunately, 10th graders still have two more years before they have to go out to college or into the workforce, so choosing a path for the future doesn't have to be urgent. Often times the best way for a students to find themselves is by participating in a variety of extracurricular activities until they find something they thoroughly enjoy.

# Showing School Spirit

From football games to band concerts, and from Spirit Week to Share Joys, the maroon and white colors make their appearance in every event where MHS is present. Students of Moline love to win, and nothing helps generate a winning spirit like showing some school spirit. Sophomores especially like to demonstrate their school pride; they want to prove they are no longer the young freshmen they once were!

# Enjoying Music

Music is everywhere these days. Music can help relieve stress from school, and a great night is made even better by the perfect soundtrack. Many sophomores make their own music by participating in choir, band, or orchestra, which can give students a deeper appreciation for music. From local school bands to the top hits on the radio, sophomores are really taking time to enjoy the music around them.

# Styling

Everyone has his or her own unique style that defines who he or she is. Whether it's a t-shirt or a baseball cap, you can see style in the halls of Moline High School. Some students go all out for their style, while others simply wear what feels comfortable. In the winter everyone tends to dress in layers and there are sweatshirts everywhere. However, in the summer people dress in short sleeves and tank tops. Being in style is just being you.

# Testing

Studying is one of the most important responsibilities that sophomores face in their second year of school. The classes don't get any easier, and homework piles up much faster than in the freshmen year. For many sophomores, classes like Chemistry, American History, Geometry, and Literature and Language II prove to be the most challenging, and honors students are usually faced with the daunting course load of Honors English II and Algebra II. Like that isn't enough, 10th grade students must also be wary of the dreaded ACT that comes their way the following year!

# Saying Goodbye

**Ms. Karin Anderson-Sweet**  
**29 1/2 years at MHS**

"I'm excited for the changes coming up in my life, but I know how much I'll miss the students and my colleagues."

**Mr. Clay Conner**  
**16 years at MHS**

"Retirement means not having to interrupt your personal interests for those of the organization's."

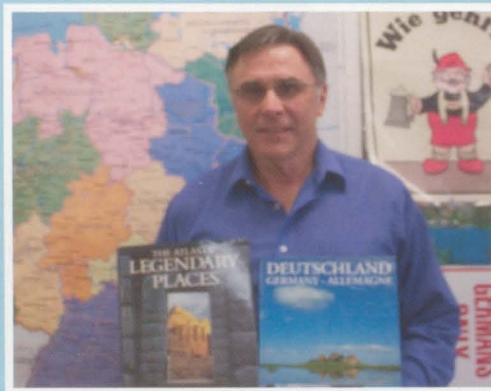

**Mrs. Sandy Lagomarcino**  
**12 years at MHS**

"Retirement is like a box of chocolates, and I plan on tasting every one in the box!"

**Mrs. Linda Dexter**  
**24 years at MHS**

"I have loved working in the counseling department for many years and it will be hard for me say good-bye. They are part of my family. I'll be closing one chapter of my life and opening another."

**Mr. Nick Pitz**  
**23 years at MHS**

"I don't know what to expect and have no definite plans. My only hope is that any future job will be as interesting and rewarding as my teaching assignments at MHS. What I will really miss is working with my students and colleagues. It's been a great ride!"

**Mrs. Carol Hastings**  
**25 years at MHS**

"Doesn't seem like 25 years! I have truly loved my job (at least most of it). In retirement, I will be spending a lot of time with my family. There will also be a lot of time spent caring for my yard and flowers. I am going to read real books not transcripts! Those are the plans; now we will see what God has planned!"

**Mr. Bill Endres**  
**18 years at MHS**

"There are many plans after retirement, from working on projects around the house to attending car auctions and racing events. I'll miss working with the staff of District 40--everyone has been great. These years have gone by entirely too fast."

**Congratulations!**  
**You will all be missed!**

# A Whole New World

**E**ntering the World Language department is similar to entering another country. One will find students that can not only speak a foreign language, but who also have an understanding of cultures different from our own. From **French Club** to **German Club** to **Spanish Club** to **Latinos Unidos**, these groups meet to experience and enjoy a variety of cultures from around the world. Many club meetings consist of making delicious food, listening to music, and history lessons. Some of the members of the world languages clubs go on a summer field trip to Europe, seeing the sights they have learned about in class. Engrossing one's self into another culture is always a rewarding experience and helps to create a well rounded person.

The publication department of MHS is very talented. **Kaleidoscript** works hard all year writing stories and poems, and creating artwork for their annual book, "The Kaleidoscript. The **Line O'Type** pools writers from around the school to write about the latest events for their monthly newspaper. The "M" staff work tirelessly to put together the "M" yearbook, so that students will have a book full of fond memories to look back on from their high school days. Along with these fine producers, MHS is also home to **Book Club**, which meets each month to share their ideas on a designated book.

**E**ncore!, the acting and speech team and MHS, has once again had a successful year. Many pieces went to State, including Performance in the Round. **Key Club** pursues their goal of helping others by organizing the Student Hunger Drive and participating in the "Souper Bowl of Caring" by dressing up as "Souper Heroes." After a weekend retreat, **Natural Helpers** are ready to help and mentor their fellow peers with their new coping and communication skills. Students who are ready to take on a career in the medical field listen to speakers and discuss different job options in **HOSA**. Students in **Drama Club** are not afraid to express themselves, whether it be taking on a serious tone or a more comedic one. They congregate for weekly meetings over shows, auditions, and script readings. All of these organizations help our students come together and share their ideas, becoming friends in the process.

Members of the **Academic Team** engage in Jeopardy-style competition, racing to the buzzer as they display their wide base of knowledge in competitions across the state. The team always had fun and hopefully made Mr. Pitz's final season an enjoyable and memorable one. This season for the **Chess Team** was the best under Coaches VanVooren and Thompson as the team finished 35th at the state tournament. Led by senior Ben Wolf, who played board 1, the team focused on becoming master maters. Moline's talented artists dedicate themselves to art outside of class in **Art Club**. Students get the opportunity to improve their artistic ability and create new pieces while having a great time. In Moline's new club **Interact**, students get together to help out the local and international community. Through diferent programs and services our Interact club has been able to raise money to help the local animal shelter and send kids in Africa to school.

There were many new additions to MHS, including the new **Disc Golf Team** that was started by senior Ben Hermann and his friends. Through the summer and during the school year, this group got together to do what they all love, play disc golf. As for **Bass Fishing** and **Flag Corps**, these groups have been with MHS for a while. Bass Fishing members get to turn their hobby into a sport and have had great success in competition. The Flag Corps show their colors in parades and half-time shows, wowing the audience with some of their more difficult maneuvers.

One of the great things about MHS clubs are the sweet harmony they bring to the school. Clubs like National Honors Society, Student Congress, Authentic Voices and Gay Straight Alliance work to bring harmony to the school with fun activities that everyone enjoys. **NHS** is in charge of everyone's favorite fundraiser, Share Joys, while **Student Congress** helps in many activities of the school, like the blood drive. **Authentic Voices** helps by giving an opportunity for the school's girls to work together to help out the community. Taking a stand against bullying and prejudice, **Gay Straight Alliance** works to bring a support system to the students of MHS. All these groups help bring a great tune to the halls of Moline.

This season was not Moline's finest, but it was a great learning experience for everyone involved. In his first year as head coach, Matt Woods kept his team energized even through the disappointing losses. A highlight of the season was an exciting victory over United Township for the Homecoming Game. Even though that game was our only win, the team fought hard despite the numerous injuries affecting the players. Senior Clemente Troche says, "This year was full of new experiences. We started our year looking forward to a new era, by having a new head coach and facing new teams. Because of our team, I will always have great memories to look back on about our team, players, and coaches." Ultimately, it is about the teamwork and comradery rather than the final record.

# Girls' Golf

Girls' golf has been very successful during their season. Coach Donna Lawrence led the team as they placed 1st at their Western Big Six. Before leaving the golf course for another year, they placed 2nd in their Regional while Megan Medinger and Jenna Lawrence qualified for State as individuals. It was a great season for all of the players and the girls had a great time, even in the extreme heat they faced early in their season. The girls did not let the heat get to them. Instead they practiced their hardest and kept their heads up. Senior Jaime McLean says, "Being on the team has been a wonderful experience. It has been great working with my teammates and having fun even in the extreme heat. No matter what, we always have an absolutely wonderful time and support each other in the process!"

Thinking out her shot, Megan Medinger prepares for her final putt of the hole.

**S**winging the clubs is what these guys do, getting 5 wins this season, making their year even greater by placing 3rd at the Western Big Six tournament! Senior Keaton Christiansen says, "For such a team not much was expected from us. However, the new coach and young players like Alex Sierra and Connor Hogan were a great addition and brought overall success to the season. Although we may not have been the best team, we brought 100% heart and determination to every contest and grinded it out. It's great how the whole team put the team first. The team definitely has a bright future ahead of them." Although the boys did not advance to Sectionals, they placed in 2nd place at Conference.

# Girls' Tennis

The 2013 Moline Girls' tennis team had a fantastic season filled with victories. Although the girls had to face many obstacles such as the sweltering heat, they practiced for countless hours, never letting the heat get to them. They practiced on days school was cancelled and brought all of their strength and persevered through each practice and the whole season. The team won multiple meets and won the conference and sectional titles. Molly McPherson, Alyssa Ray and Olivia Ray qualified for State. Captain Molly McPherson says, "As captain of the girls tennis team this year, pulling out the victory to win our 13th Sectional title against our biggest rivals meant so much to me especially since it was my senior year."

# Boys' Soccer

The 2013-2014 Boys' Soccer team had a monumental season. For the first time in MHS Soccer history, the team won the Western Big Six for the 3rd consecutive year. The team beat UT at the Regional Finals in PK's. Senior, Cesar Martinez, who made an impacting save during the Regional final, says, "Even though our team only had 4 returning starters, the chemistry we built made our team succeed throughout the whole season. The regional final against UT really showed our teams overall perseverance. This year was a truly great year for the whole team. We accomplished so much as a team."

The 2013 Girls' Volleyball team had a great season with a plethora of wins. During the season, their best win and proudest moment of the season was beating Quincy in the Galesburg Triangular and also won their senior night game. Although they did not win all of their games, they managed to have fun and grow closer throughout the whole season. Senior Jodi Jensen says, "I couldn't have asked for a better group of coaches and teammates for my senior year. All of the away games were a bonding experience and even when we did not win, we played our best. All of us seniors are really going to miss being part of such an awesome team!"

# Girls' Cross-Country

**T**raining through the blistering heat of the summer, these girls put in numerous hours of hardwork and dedication. The team survived the heat waves with practices in the cool early morning before school. All of the extra practices paid off, resulting in runners placing in high ranked invitionals and meets. The teams' drive and motivation to beat the heat and competition helped them win the Western Big Six conference title for the sixth year in a row. Senior Brisa Almanza says, "XC has taught me how to be a leader, work with others, and encourage my teammates. There are so many memories I'll take with me." At the cross country sectional meet, both captains, Brisa Almanza and Keeley Knobloch, qualified for State. The team had an overall great year!

# Boys' Cross-Country

This year's boys' cross country team performed spectacularly despite unfavorable conditions. Multiple meets were delayed or canceled because of sweltering heat and transportation issues. Mikel Rodocker stated, "Even though it was hard sometimes, we could always count on each other and the coaches to get us through anything. Their support and encouragement helped us to better ourselves for the next race." Team captains Zach Gray and Jake Barr continued to lead their team through the difficulties, and the boys snatched second place in the Western Big 6 conference meet. The boys' team made it through the regional meet, but no individuals qualified for the state meet.

# Girls' Swim & Dive

Swimming was not only a sport for the 2013 Girls' team, it was a passion. Although the season was not very eventful for the girls, each meet they gave it their all and their achievements show for all their effort. The biggest challenge was swimming without a pool at MHS and having to practice at UT. The girls were devoted, however, and practiced at different hours than the norm. They persevered through the difficulties and had some great wins. One of their best wins was when they achieved second at Conference. The girls did wonderfully in the 200 Free Relays and got second place at Sectionals. Senior Elly Ehlers says, "Even though we did not have a pool again this year, we all worked so hard to reach our goals. Despite all of our difficulties, everyone had such a great attitude all throughout the season!"

# Boys' Swim & Dive

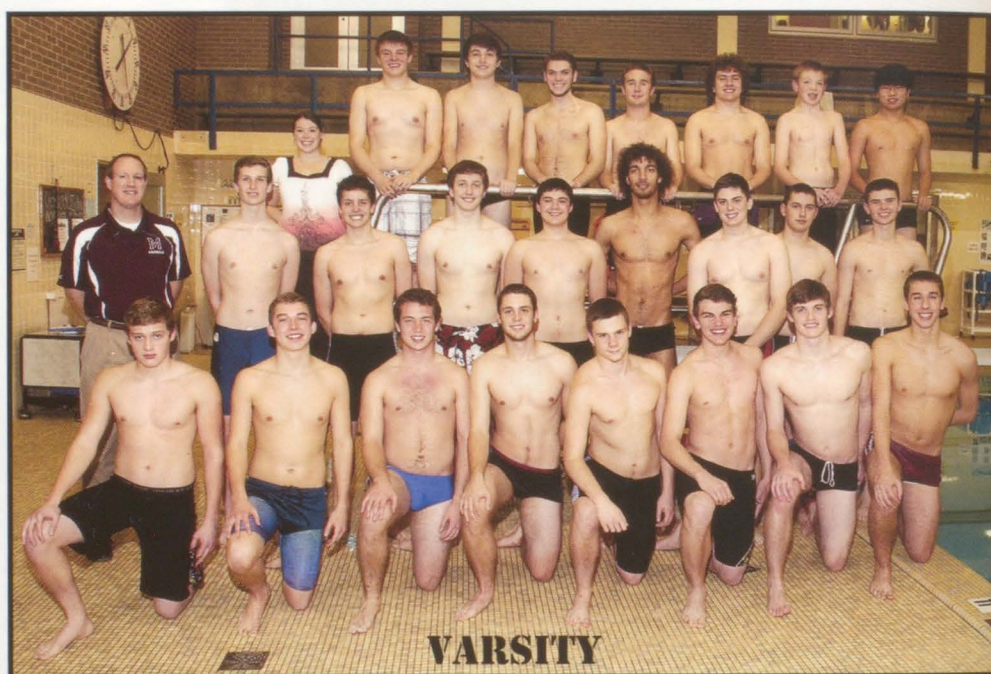

The 2013-2014 boys' swimming season was a tough one, but the Moline boys never lost their fighting spirits. The most challenging obstacle that the team was faced with this year was the closing of MHS's swimming pool for construction. Unable to swim in their own pool, the boys were forced to practice at Black Hawk College's indoor pool facility. This created transportation issues for some team members, and it also shifted practice times around, causing practices to be held earlier in the mornings and even later in the evenings. Doing little to boost their spirits, the boys' team placed sixth place in the Western Big 6 conference meet. In the end, the boys' swim team walked away from the season taking it in as a learning experience. They hope to come back swinging next year with overall improved times.

# Girls' Basketball

This year the girls' basketball team persevered throughout the season despite difficult competition. Their effort was shown through their 19 wins during the season. Seniors Kristina Bozickovic and Lily Eastman were the heart of the team, leading with hard work and determination. While there was turmoil throughout the season, this team dug deep and grinded through their season. The Maroons peaked in the postseason, defeating conference rivals Rock Island and United Township to win the Regional Championship. Loaded with youth this season, the Maroons will use their experience from this season to find even greater results next season.

Throughout the season, the boys' basketball team worked hard to accomplish a good season. The hard work and countless hours of effort resulted in a phenomenal 16 wins. Although the team lost to both Quincy and Rock Island by one point, they were consequently highly ranked in the WB6 Conference. Furthermore, the boys' were not discouraged by their loss and they played their best and competed in some great games. Senior Tanner Logan recalls, "We lost to Rock Island in the first game of the playoffs. We lost some games that we should have won, but we always played with a lot of heart and effort. Shoutout to the superfans for all the support, the best and loudest in the WB6!"

# Bowling

This year's bowling team has been more of a fresh start with many newcomers added to the bunch. These girls have become extremely close to one another, making them more than just a team. Despite it only being the second year Moline has a bowling team, the girls proved to be a valuable asset to Moline athletics. Their dedicated coach, Matt Woods, was also a great asset to the team. He helped them stay focused and helped them achieve their goals. They worked hard this year to earn their spot as Regional Champs for the first year running and surely will have many more great years of competitive bowling! "It was great bowling with all of the girls. They are all so dedicated to bowling and I'm so grateful that I could be a part of the team," says senior Brooke Lodge. The 2012 Bowling season showed other teams that the team would be a strong competitor, and they fulfilled the prophesy.

# Wrestling

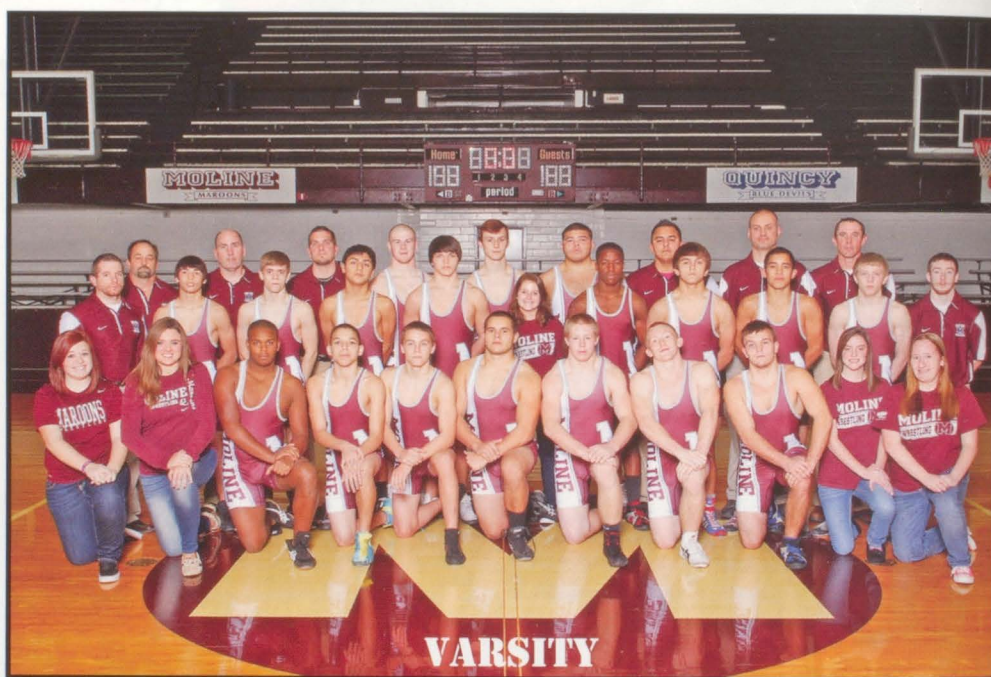

It was a great season for the 2013-2014 wrestling team, which went from not being ranked in state to being Regional Champs. Senior Adarios Jones went to State in the heavyweight division and impressed everyone when he won the State title. Nine members of the team made All-Conference: Trenton Jackson, Adarios Jones, Austin Ventris, Caleb Schnell, Austin VanScoy, and Daniel Terronez. Daltyn Dodd, Will Seaman, and Dalton Stracner earned Honorable Mention. Senior Jesse Mallery says, "I can't believe it's already over. It feels like I was a freshman at my first high school practice just yesterday." The team accomplished the top three goals of the season: defeat Geneseo, defeat Rocky, and win the Western Big Six. With an impressive season of 20 wins and only 3 losses, this year's team made MHS proud.

# Girls' Track

After a cold and snowy start to the season, the girls' track team was happy to finally get outside at the beginning of April. The team worked extremely hard to remain competitive throughout the season and were always there to cheer each other on, both at meets and practice. Girls' track is a great opportunity for personal growth because these athletes are always striving to beat their personal records. These girls are very dedicated and always try their hardest to beat their personal best. Senior MichelleAnn Sanchez says, "This year, we lost a lot of great athletes, but also had a lot of great additions to our team. We have a strong team again this year and will fight to keep our WB6 Conference title."

Includes: McClain Aciri, Lorena Aguilar, Brisa Almanza, Elisabeth Almanza, Jessica Bailey, Moriah Bangura-Long, Chaimae Belahsen, Nylah Berner, Laquia Booker, Alex Branham, Sandra Cisneros, Alyssa Coil, Hailey Cook, Auriole da SILVA, Megan DeArmond, Michelle DeArmond, Kelsey DeBaker, Madeline Dickey, Djenaba Diop, Marie Djondo, Katherine Douglass, Erin Duesterhaus, Kylee Espinal, Anna Finch, Paige Finch, Loraine Gaffney, Vaba Gamamou, Erin Geyer, Keeley Glenn, Kristina Gripp, Salamata Hanne, Mackenzie Head, Annie Knobloch, Keeley Knobloch, Marina Lareau, Kaili Lasley, Shaquila Lewis, Morgan Madison, Eleanor Martinez, Kelsey Mason, Cassandra McKee, Britta McNinch, Linda Mhoon, Fatima Ndiaye, Emma Peterson, Rebecca Quick, Haley Reagan, Alexis Roberts, Emily Rotramel, MichelleAnn Sanchez, Sydney Snyder, Alyssa Timmer, Jazmin Torres, Lauren VanDam, Maria Velazquez, Emma Vyncke, Desiree Washington

# Boys' Track

The team trained incredibly hard to get ready for the season by running through the halls of MHS until they could get outside in the spring. Even though they had a tough start, once the meets got started Moline proved they had a strong, competitive, and diverse team. From pole vaulting to the 400 meter, the Moline athletes give each event their best. The team is extremely supportive of their fellow teammates, encouraging everyone to reach their full potential. Senior Kyle Moore says, "We all really support each other and push each other to do better. Looking further down the road, I think we end the season great. There is always room for improvement and that is what we stride for."

The team cheers for fellow teammate Zach Gray as he wins his race

# Boys' Tennis

Once again the Moline boys' tennis team was expected to do great things this season. The boys hoped to clinch the WB6 title again as well as return to State. The boys always work hard under Coach Jason Jones, and this year was no exception. Working on serves, groundstrokes, volleys, and overhands, the boys trained for a stupendous season. Junior Bill Johnson says, "It's been a great season so far. It's an honor to be one of the new and fresh faces on Varsity along with a lot of my friends. I'm hopin to take a lot out of this year and find my own game."

# Girls' Soccer

**R**ain or shine, the girls' soccer team can be found on the field training for their next game. They work hard to hone their skills, and this showed throughout all of their games. Working on skills such as communication, teamwork, and footwork the girls always make sure to have fun on the field. There is a lot of experience on this team, as well as extremely dedicated players. The key to success for these girls is always remaining positive no matter the outcome of a game. Senior Tara Wright says, "Every loss is a win because we gain the knowledge of growing as a player and as a team."

# Softball

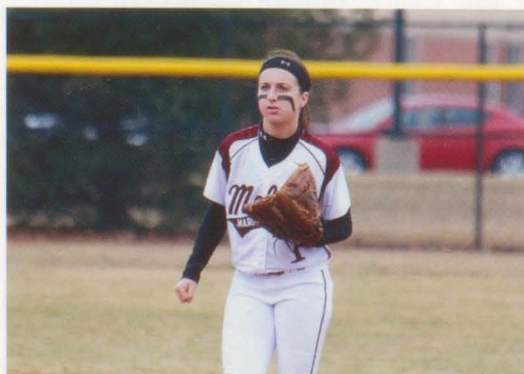

The Lady Maroons practice batting, running, catching, and pitching everyday, which really shows during their games as they dominate the field. The weather has kept the team inside for the beginning of their season, but the Lady Maroons do not let that ruin their chances of being the best they can be. Their success is attributed to their skill, as well as, the fact that they have tremendous teamwork and all support each other on and off the field. Senior Allison Archer says, "It's a bittersweet season for everyone never knowing when our last game will be. But all of us are so close and are friends on and off the field, but we are also very excited for what the season has in store!"

Moline's baseball team looked weakened this year due to losing some key players from last year, but with promising new members they gave the season their all. Cold weather kept the team indoors for the early part of their season, but their hard work and commitment showed throughout their season. They worked on their fielding, hitting, and communication skills in order to be strong on the field. Their intense practices helped make them more competitive and led them to have many victories. Senior Evan Smith says, "We have a very young team, but we're still capable of making another deep run in the post-season."

MOORE**

*My babyboy blue,  
 there's no words to  
 describe you. I am so  
 very proud to have a  
 son like you. There's  
 not a day that goes  
 by that I'm not  
 amazed by you.*

*I love you...  
 Mom*

# Davey LANCE

*Congratulations!  
 Job well done!*

*Davey,  
 We're very proud of the young man you've  
 grown into. Keep up the good work. Your  
 future is what you make it.  
 Love,  
 Mom, Dad, Megan, Lucky, & Peppers*

# Russell Hoffman

*From the first day of school to  
 your last, you have always been  
 a class act! Keep smiling!  
 We are very proud of you.*

*Love,  
 Mom and Dad*

# Brandy Karin Sanders

*Brandy,*

*Congratulations on  
 reaching this milestone  
 in your education  
 journey. We are so  
 proud of you.  
 Continue to enjoy your  
 gift of life.*

## Brandy Karin SANDERS

My Bran-Bran,  
 Keep being all you can be. You are  
 one of a kind. The Best!

Love, Nana & Papa

Brandy,  
 We are so proud of you! Mainly for  
 your ability to "Bounce Back!" We're  
 looking forward to what you have to  
 give to the world! Keep smiling,  
 giving back and growing! You have  
 so much to give. Don't hold back!

Love, Mom, Dad, & Bianca

## Amelia Welvaert

Amelia,  
 We are so proud of  
 you! You bring joy  
 to our lives.

Love,  
 Mom, Dad, & Lauren

## Congratulations "M" Staff Seniors!

We wouldn't have finished  
 without you!

Have a Great Summer and  
 Enjoy Your Future!
